

reData Export

The real estate
industry's best-in-class
data export tool

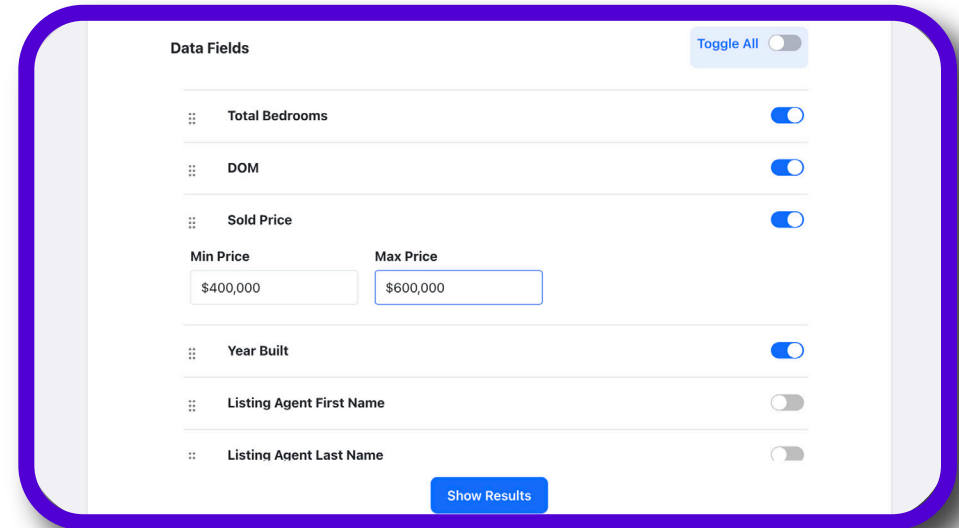

Access to controlled
MLS data without
access to the MLS

A data solution product
for universities, public
agencies, and
economists

- Administratively enable which data fields users can access
- Restrict access to data by specific locations, time frames, etc.
- Create custom permission sets tailored to specific types of users

Download CSV

MLS#	Total Bedrooms	DOM	Sold Price	Original List Price
176649	3	46	\$497,688	\$449,990
176902	4	7	\$450,000	\$450,000
178260	5	617	\$435,000	\$995,000
178641	3	1	\$480,725	\$602,900
178850	4	353	\$425,455	\$550,000
179479	3	535	\$439,900	\$536,999
180583	4	487	\$412,000	\$520,000
180670	3	699	\$429,250	\$473,700

- Simple user interface allows for quick CSV data exports
- Detailed admin access logs to view user download history
